Professional Experience

2005-2009 – Enabling Environment Director, AECOM Technology Corporation

USAID, Trade and Investment Program for a Competitive Export Economy (TIPCEE), Accra, Ghana

- Managed policy component of a \$30 million 5-year project.
- Worked with the Government of Ghana and the private sector in seven policy areas: trade, finance, agriculture, labor, macro, energy, and information, and communication technology.
- Supervised local policy advisors and managed short-term local and international consultants in all policy areas.
- Provided technical support in the analysis of trade agreements such as the European Partnership Agreement (EPA).
- Built capacity in Ministry of Trade in tariff analysis, survey research, and contingency trade measures.
- Developed training program on WTO agreements for ministry staff, private sector operators, attorneys, research institutions, and the media.

2001-Present – Managing Partner, Moongate Associates, Inc.

- 1/2001-3/2001 – **Textile Trade Specialist.** Regional Activity to Promote Integration Through Dialogue and Policy Implementation, USAID, Chemonics International, Botswana, Mozambique, South Africa. Responsible for supporting and promoting the textile sector in the implementation of the SADC Trade Protocol (STP) to include organizing meetings with representatives from the private sector, relevant Government ministries, and other public and private institutions to assess textile sector impacts on the STP; monitor STP implementation; propose remedial actions when obstacles occurred; arrange and address meetings with the private sector concerning challenges and new opportunities within the STP; participate in regional meetings and work to ensure a regionally coordinated approach to the textile sector within the STP implementation.
- 1/2002-5/2002 – **Marketing Consultant/Workshop Speaker/Facilitator.** Regional Activity to Promote Integration Through Dialogue and Policy Implementation, USAID, Chemonics International, Botswana. Prepared handbook and presented seminar at the American & African Business Women's Alliance Conference; South Africa:

Susan B. Hester, Ph.D.

keynote speaker for conference entitled: Trade with the USA: AGOA Opportunities for Women in the Cultural Industries.

- 9/2002 – **AGOA (African Growth and Opportunity Act) Specialist**, U.S. Department of State, Kenya. Presented day-long seminars on exporting to the United States under AGOA.
- 1/2004-6/2004 – **AGOA Specialist**. Regional Activity to Promote Integration Through Dialogue and Policy Implementation, USAID, Chemonics International, Botswana; Lesotho, Malawi, Namibia, Swaziland, Zambia. Prepared extensive handbook and visual presentation for day-long seminars on exporting to the United States under AGOA; conducted follow-up one-on-one meetings with seminar participants; and researched issues and answered questions concerning regulations under AGOA.
- 2/2005-4/2005 – **Trade Economist**, Ecuador. Northern Border Income and Employment Project, USAID, ARD, Inc. Studied the possible/probable effects of a ratified FTA on the specific clusters the project had selected and was considering for selection; determined the possible/probable effects a ratified FTA might have on the agricultural sector in general and specifically on small to medium farmers in the Northern Border Region; provided an overview of the possible/probable effects a ratified FTA might have on related industries and/or other economic sectors.
- 1/2010-Present – **Economist**, Coalition for Fair Lumber Imports, Washington, DC. Quarterly monitoring of U.S. softwood lumber industry.
- 1/2010-4/2010 – **Trade Economist**, Chemonics International, South Africa and Botswana. Conducted research and gathered intelligence for proposal for Southern Africa Trade Hub.
- 5/2010-6/2010 – **Trade Economist**, Chemonics International, Vietnam. Conducted research and gathered intelligence for proposal for Support for Trade Acceleration (STAR) Plus project; served as technical expert on the team which developed strategy and technical approach.
- 9/2010-12/2010 – **Trade Economist**, Nathan Associates, Inc. Reviewed the performance of the Tariff Advisory Board and proposed organizational structure to determine the manpower needs for the GITC; determined and provided a list of priorities for capacity building and the training requirements of the technical secretariat and board members of the TAB, and designed a roadmap for the establishment of the GITC.
- 10/2010-11/2010 – **Trade Economist**, Picard Kentz and Rowe LLP. Assisted the Southern Shrimp Alliance to respond to requests for information from the U.S. International Trade Commission on the sunset review of their antidumping orders.
- 4/2011-5/2011 – **International Trade Consultant**, The Kaizen Company. Assessed current trade data availability, sources, requirements and tools for easy access; assessed existing system for reporting trade issues with India and China and recommended a new mechanism; assessed trade analytical and negotiation capabilities of government agencies in Nepal for the Nepal Economic, Agriculture, and Trade Activity (NEAT) project.
- 8/2011-2/2012 – **Senior Trade Advisor**, Nathan Associates, Inc. GITC Establishment and Capacity Building; reviewed and advised on first case of the Tariff Advisory Board; trained members of the Board and the Technical Secretariat on injury factors and ratios; lead a study tour to South Africa to observe the International Trade Administration Commission (ITAC).

Susan B. Hester, Ph.D.

- 10/2011-2/2012 – **International Trade Consultant**, The Kaizen Company. Support for preparatory work for bilateral trade negotiations with the United States for the Trade and Investment Framework Agreement talks in Nepal for the Nepal Economic, Agriculture, and Trade Activity (NEAT) project; pre-trip research and interviews in the U.S. and India; interviews with key stakeholders in Nepal; analyzed critical issues for trade and investment; take part in public-private dialogues and prepare officials for talks with the U.S.
- 5/2012-2/2013 – **Trade Economist and Lead Researcher**, Trans Pacific Partnership (TPP) Apparel Coalition. Conducted study on the global value chain for apparel designed in the United States and manufactured abroad. Using proprietary company data, the value-added in the United States versus the value-added abroad was calculated, and the U.S. jobs delineated.

1990-2005 – Economist, Dewey Ballantine, Washington, DC.

- Monitored negotiations and analyzed options for various trade agreements including implementing legislation.
- Assessed legislative and executive initiatives on trade policy matters.
- Researched and wrote papers on foreign commercial policies and practices affecting U.S. clients' business strategies.
- Investigated market access issues related to foreign governments' industrial practices and competitiveness policies which affect U.S. industries.
- Provided analytical and quantitative support for trade litigation including NAFTA and WTO appeals.
- Jointly published research, including: *Semiconductors in China*, *The Limits of the GATT: Private Practices in Restraint of Trade*, *The Uruguay Round: Will It Be a Good Deal for U.S. Manufacturing?*

1984-1990 – Assistant Professor, Cornell University, Ithaca, NY

- Taught graduate and undergraduate courses in international trade, marketing, and textile and apparel management.
- Lectured in China at the invitation of the Chinese Government on international trade and marketing in Beijing, Changsha, and Shanghai.
- Published research on the domestic and global textile industries in the *International Trade Journal*, *Business Economics*, *International Marketing Review*, *Apparel Industry Magazine*, *Journal of the Textile Institute*.

1983-1984 – International Economist, U.S. Department of Commerce, Washington, DC

- Provided policy advice on international trade issues in the Trade Policy Information Division, Office of Program Information Management.
- Analyzed complex interactions between domestic and international factors.
- Used computer assisted statistical and economic tools in the abstraction, summarization, and presentation of economic data and information.
- Supervised and instructed staff in the use of advanced techniques and methods.
